

Federazione dei Liberali  
Membro italiano di Liberal International

Rome, 2008, september 15th

Lord John T. Alderdice  
Liberal International President

Dear Mister President,

seen the very negative evolution of italian political opposition during the last four months, I would ask if Liberal International has also scheduled an internal debate on the liberal situation in Italy as You stated at the plenary session of Belfast Congress commenting on my speech about RP membership application.

Sincerely yours

Raffaello Morelli
